The ŠKODA Citigo

We would like to introduce you to the ŠKODA Citigo. As the name suggests, the Citigo is a car that feels right at home in cities and around town.

Citigo redefines what's possible with a city car - small exterior dimensions yet great interior space offering ample room for four adults. With great manoeuvrability, exceptional comfort and high levels of equipment, Citigo has been designed to deal with almost anything life can throw at it.

The Citigo was the first model to wear the brand's redesigned logo. ŠKODA's winged arrow, executed in chrome and black, shows precision and clarity.

Our small, smart and agile city car that's great on quality, space and value for money!

WHAT A NICE VIEW!

The functional and well-designed dashboard of the Citigo offers a lot of what you are used to from ŠKODA.

Citigo S and SE models come with a standard **plastic three spoke steering wheel**. Monte Carlo models feature a leather sport steering wheel with red stitching and SE L models get a **three spoke leather steering wheel**.

On all Citigo models the central feature is a **large speedometer**. The SE, Monte Carlo and SE L dials (shown here) also feature a **rev counter** and a fuel gauge. S models feature a digital fuel gauge.

SMART. The radio in Citigo S has an FM/AM receiver as well as a CD player and two speakers. The Aux-in is ideal for connecting external MP3 players and there's also an SD card slot and USB port too.

In addition to this radio equipment, SE models and above also have a colour display. Whilst there is no CD player option, there are six speakers instead of two and Bluetooth® connectivity.

Also, SE models onwards can have greater connectivity with the ŠKODA Move + Fun app, which is free to download to your smartphone from the relevant Android or iOS app store. The app offers a range of functions such as access to your contacts for calls, your playlists for music and TomTom satellite navigation to help you get about. What's more, it comes with a universal phone holder attached to the dashboard so you can easily connect your smartphone to the radio via Bluetooth®.

AUTHENTIC. The Citigo features lots of small, clever storage solutions.

Simply clever, Three doors, Five doors

ACCESSIBLE. The Citigo is the only ŠKODA in our current range to offer 3 or 5 doors. In the 3-door model the front seats on SE, Monte Carlo and SEL can be pushed forward allowing better access to the rear.

Model shown is not UK specification.

Citigo space...

Spacious.

The Citigo's compact design conceals a generous interior space, offering plenty of room and comfort, which allows two adults to sit comfortably in the rear.

The front seats of the Citigo have **integrated head rests**, giving the car a touch of dynamism whilst providing the front passengers with a comfortable seating position and good support.

The boot offers a **spacious 251 litres** - enough to carry shopping, luggage or picnics on days out - or if you would prefer 2,711 ping-pong balls (source AQA).

Isofix restraints are fitted as standard on both rear seats so that child seats can be fitted securely to help keep babies or young children safe.

Citigo is not just for driving in and around towns and cities; the seats in both the front and rear are more than **comfortable** enough for any long journey.

Large luggage compartment

Models shown are not UK specification. Interior images shown are for illustration purposes only.

Precise. Citigo has an elegant and dynamic design that shows off elements of the ŠKODA design DNA. Citigo is a car that appeals to the heart as well as the head.

The front of the Citigo features a finned grille set in a chrome frame (SE and SE L models). Its stylish and elegant window lines run along the side of the car without compromising on rear visibility.

The optional electric panoramic sunroof gives the driver and passengers a fantastic feeling of light and space inside the Citigo.

The C-shape in the tail lights make the Citigo as unmistakable from the rear as it is from the front. On SE L and Monte Carlo, the rear lights have a darkened glass finish.

Passive safety

The design of the side and curtain airbags demonstrate innovation in ŠKODA's passive safety. Head thorax and side airbags combine two airbags into a single system helping to protect the front-seat passengers in the event of a side impact.

Despite its compactness, the Citigo has as standard **four airbags**, **ABS**, a **seat-belt reminder** for those in the front and rear to fasten their seat belts, as well as **ESC** and a **tyre pressure monitor**.

Models shown are not UK specification.

CARING.

The Citigo has good levels of safety and technology.

With an array of standard passive and active safety systems Citigo has been able to achieve a five star Euro NCAP rating (European New Car Assessment Programme).

Fog lights integrated in the front bumper increase safety when visibility is reduced. Fog lights are standard on Monte Carlo and SE L and optional on SE models.

Parking the Citigo is easy due to its excellent manoeuvrability. There are three parking sensors integrated into the rear bumper, which check the cars distance from any obstacles. Optional on SE and Monte Carlo models, standard on SE L.

Active safety

Citigo also features advanced technology - an optional 'City-safe' brake assist sensor that is designed to monitor the area in front of the vehicle, actively assisting braking at speeds below 19 mph when there is danger of a collision. Please note that it is the driver's responsibility to be in control of the vehicle at all times.

With ISOFIX and top-tether fixing systems as standard, Citigo has not overlooked the smallest passengers.

ŠKODA Citigo Engines and GreenTech

GREENTECH

Available on the SE and SE L trim levels is ŠKODA's GreenTech, which consists of a stop/start system, brake energy recovery, lowered suspension and tyres with reduced rolling resistance.

Stop/start

During waiting times at red traffic lights or whilst sitting in traffic, the engine will switch off automatically, restarting as soon as the driver presses the clutch (or steps off the brake).

Recovery is another intelligent technology making use of the energy used for driving. Whenever the driver steps off the accelerator or presses the brake pedal (during coasting and braking phases), the battery is charged. On subsequent acceleration or at constant speed, voltage can then be decreased, helping to reduce the strain on the engine.

The **1.0-litre three-cylinder engine** is available as a 60PS or 75PS. These small petrol engines are extremely flexible, enabling agile driving around town or outside the city.

Automatic (ASG)

Gears are selected automatically and leaving the driver to just choose "D" - drive, "N" - neutral and "R" reverse. Gear changes are based on various settings - dependent on driving style and vehicle acceleration.

Semi-automatic transmission

Models shown are not UK specification.

Choose your Citigo...

† Note: A temporary space saver spare wheel can be ordered as an option or part of an option pack. Temporary space saver wheels are restricted to 50 mph and if used, should be replaced as soon as possible.

◇ For exclusions, terms and conditions please see page 35.

◇◇ Child restraint systems should only be used in the front passenger seat if the passenger airbags have been deactivated. Active airbags pose a risk of injury, which can potentially be fatal. Having the ability to switch airbags off is a chargeable option, however child restraint systems can always be used in the back seat of the Citigo.

Network capability

You can enjoy our award-winning customer service through our network of around 150 Authorised Repairers.

As a ŠKODA customer, you will be looked after by your retailer from the moment you walk through the door and throughout the life of your ŠKODA. Your new Citigo will be serviced and maintained by specially trained ŠKODA technicians. And when you need a spare part, you'll be happy to know that most are held in stock, or can be ordered within 24 hours.

The ŠKODA Customer Promise is a commitment from our retailers to offer:

- > Care and consideration for you and your car
- > A flexible and convenient service
- > Expertise and attention to detail
- > A clear explanation of our work

Roadside Assistance

A three year, European-wide, unlimited mileage ŠKODA Assistance policy comes free of charge with every new ŠKODA.*

There's a team of specially trained Technicians who carry the right diagnostic equipment and parts to get you back on the road as quickly as possible in the unfortunate event of a breakdown.

Warranty

When you buy your new ŠKODA through our authorised retailer network, it is automatically covered by a three year, 60,000 mile manufacturer's warranty.**

There's no mileage limit on the warranty in the first two years and for additional peace of mind there's a 12 year body protection warranty.

You can even extend your warranty to four or five years, see the option page for prices and page 37 for further details.

Calculating your tax liability

To find out how much tax you will pay, simply take the P11D value, then multiply this figure by the BiK percentage. Then simply multiply this figure by 20% or 40% depending on the level of income tax that you pay.

Please note if your employer provides you with free fuel, this is treated as an additional taxable benefit.

For more information on company car taxation please visit the HM revenue and customs website hmrc.gov.uk

BiK calculation example - Citigo S 3dr 1.0 60PS 5spd Manual		
P11D value	£8,440.00	
Company Car BiK tax based on CO ₂ emission level	19%	
Taxable BiK (for 2017/2018 tax year): 19% of £8,440.00	£1,603.60	
Annual company car tax (2017/18)		
20% Income Tax: 20% of £1,603.60	£320.72	
40% income Tax: 40% of £1,603.60	£641.44	
Monthly company car tax (2017/18)		
20% Income Tax: £320.72 divide by 12 months	£26.73	
40% income Tax: £641.44 divide by 12 months	£53.45	

Customer services

Talk to us on 03330 037 504

Peace of mind with a ŠKODA warranty

In the first two years of owning your car, you'll get the peace of mind of a two year unlimited mileage warranty*. In addition, you'll also get a further warranty on new vehicles supplied through the appointed dealer network until the vehicle has completed 60,000 miles or the end of the third year, whichever is sooner.

Your Citigo also benefits from a 3 year paint warranty and 12 year body protection warranty.

A network that's here to help

With 17 years in the top 10 of JD Power's customer satisfaction survey, our network of approximately 150 authorised repairers know how to treat a customer. You can be sure that as a ŠKODA customer, your retailer will look after you from the moment you walk through the door, throughout the life of your ŠKODA. Your Citigo will be serviced and maintained by specially trained ŠKODA technicians. And when you need a spare part you'll be happy to know that most are held in stock, or can be ordered within 24 hours. So if top class customer satisfaction is what you're after, the ŠKODA network will be there for you.

Motability

People in receipt of the Higher Mobility Component of the Disability Living Allowance receive special help from ŠKODA. Preferential prices on low cost Contract Hire are available through your local approved Motability retailer. For full details, contact your retailer.

If your ŠKODA's in trouble, rely on ŠKODA Assistance

Completely free of charge, every new ŠKODA is covered by ŠKODA Assistance. This cover lasts for 3 years, with no mileage limit. So if you ever break down, you can use the freephone number to call out someone who really knows about ŠKODA cars to help. This service is even available in Europe, so you don't need additional breakdown cover when you're driving on the continent.

Warranty

Exclusions and limitations

Wear and tear components will only be considered under the terms of the warranty for the first of six months or 6,500 miles, whichever is soonest. These include, but are not limited to brake linings and disc pads, clutch release bearings, clutch pressure plates and centre plates, tyres, wiper blades, seat and backrest covers, floor coverings, spark plugs, batteries for key fobs and alarms, light bulbs and shock absorbers.

Mechanical adjustments including but not limited to adjustments to doors, flaps, boot lids, bonnets and sunroof, brake adjustment, clutch adjustment, v belt adjustment, ignition adjustment, headlight adjustment, steering geometry adjustments and wheel balancing are excluded.

Damage (including but not limited to the following) is excluded:

- > Damage caused by your failure to take all reasonable steps to prevent mechanical damage from occurring.
- > Damage or defects caused by not having the vehicle serviced in accordance with the manufacturer's guidelines.
- > Damage or defects caused by improper use of the vehicle, neglect or use of the vehicle for motor sports activities.
- > Damage caused by an accident.
- > Damage to paintwork or chrome caused by external influences, such as climatic, chemical or industrial pollution.
- > Damage resulting from the use of non-original replacement parts.

Routine maintenance and servicing is not covered by the warranty. Incidental or consequential costs such as hotel charges, car hire, loss of personal effects or income are not recoverable under the terms of the warranty.

Service intervals

When you order your Citigo, you can choose whether your car is on a fixed or a flexible service regime. Your retailer will help you decide which regime suits how your car will be driven, enabling your car to stay in the best possible shape.

Fixed regime: Service every 10,000 miles or one year (whichever comes first). This is recommended if the vehicle is likely to be used in the following way:

- > Driven fewer than 10,000 miles per annum **and/or**
- > Mainly short journeys, drive mostly in towns or cities **and/or**
- > High vehicle loading/towing and frequent hill climbs **and/or**
- > Heavy accelerating and braking, using high revs.

The vehicle service regime does affect the entitlement service plan** if you choose to purchase this.

ŠKODA Solutions Personal Contract Plan. Your journey, your choice.

ŠKODA Financial Services like to do things a little differently, that's why for many years we've specialised in providing simple and convenient funding options for ŠKODA drivers. It's what we know.

ŠKODA's Solutions Personal Contract Plan is all about you; a flexible, fixed-rate plan designed around you and your budget, putting you firmly in the Citigo driving seat.

Solutions Personal Contract Plan is different because you defer a proportion of the car's value until the end of the agreement, giving you lower monthly repayments.

Solutions Personal Contract Plan is totally flexible. You get to choose the size of your deposit (from as little as one monthly payment), and a repayment period which suits you and at the end of the term you have 3 options to choose from.

DEPOSIT

As little as one repayment

BALANCE

A flexible repayment period (18-48 months)

OPTIONAL FINAL PAYMENT

3 choices at the end of the agreement

1  Part-exchange the car for a new ŠKODA on a new Solutions Personal Contract Plan.

2  Pay the optional final payment so that you own the car.*

3  Circumstances changed? Return the car to us (fees may be payable).

ŠKODA Financial Services also offers hire purchase, contract hire and service and maintenance plans. Speak to your ŠKODA retailer for your personalised quotation today

*See notes on page 35 for more details.

Free Insurance for 3 years.

No one likes to think about their ŠKODA being damaged in an accident. But if it was you'd no doubt want it repaired to ŠKODA standards, by a ŠKODA trained technician using only ŠKODA genuine parts. That's why we came up with Insurance - ŠKODA's free accident and repair cover.

Insurance works alongside your existing comprehensive motor insurance policy, no matter who you are insured with, to help get you back on the road as smoothly as possible. Better still, it's free for three years and is available on both new and older models.

Your free Insurance cover includes:

- > Guaranteed use of a ŠKODA approved repairer, ŠKODA trained technicians and the use of genuine ŠKODA parts and paints
- > A dedicated Claims Manager who will look after your entire claim from start to finish
- > Help to recover any uninsured losses with our Legal Expenses Cover
- > An online claims tracker so you can keep up to date with the status of any claim

To benefit from Insurance you'll need to activate your free cover which takes less than a minute.

We hope you don't ever have to use your policy but it's nice to know it's there - just in case.

Remember to call us first, Insurance will help deal with the rest

Your car is **guaranteed** to be repaired by a ŠKODA approved repairer. Only **genuine** ŠKODA parts **will be used**.
